Prepare for your Professional Photography Session:

What can I bring?

- You may invite extended family members for a multi-generational photo.
- Bring your pets, we know they are an important part of the family! Please check with your church.
- Bring props that express you and your family's personality, e.g., instruments, sports equipment and hobby items.

Getting Ready

- ◆ **CLOTHING:** Solid colors work best and will make you look thinner.
- ◆ **HAIR:** Be yourself, avoid changing your hairstyle or cutting your hair right before your session.
- ◆ **JEWELRY:** If you have jewelry that has special meaning to you, wear it!
- ◆ **MAKE-UP:** Apply make-up as you would normally for an evening out. Pay special attention to your eyes: they're the focal point in a portrait!
- ◆ **GLASSES:** If you wear eye glasses all the time, you'll want to wear them in your portraits. Don't worry, we'll take care of any glare.
