## From Fr. David Nowicki

Happy Epiphany! One of my favorite traditions of Epiphanytide is blessing one's house by chalking the lintel of the entry door with the following inscription: 20+C+M+B+26. The tradition is an old one with roots in the medieval period, and the visual sign of the inscription of the door can be quite memorable. I recall when I was five years of age, and we had moved into a new house. During the first Christmas season in the place we began calling home, we received chalk from our pastor to inscribe the markings for the new year above our front door. It left a deep impression upon me!

There is one closely related tradition that I prefer even to the chalking of doors: "kolęda" (roughly pronounced "coh-len-dah"). It's a Polish practice where the priests of the parish visit homes of all the parishioners between the first day of Christmas on the 25th of December until Candlemas on the 2nd of February. This tradition has equally historic roots in the middle ages, and it serves a twofold function. The first is that priests would bless the homes with holy water during this time and participate in the chalking of doors. The second is that it allows priests to get to know parishioners on a more personal level by sharing in the Christmas joy. The visits may not be long, but they are memorable. A few years ago I was visiting a priest friend in Poland who brought me along for his kolęda, and I vividly remember the joy of parishioners to receive the priests.

*We even sang Christmas carols with each household!*

My invitation to you is to take this January to send out an invitation to Fr. Sedlacek and/or myself to come for a visit and house blessing and to enjoy the joy of Christmas together. I know such a prospect might be a daunting one, so I'll have some practical tips on how to welcome a priest into your home next week. *Stay tuned!*

**THIS & THAT — "WE HAVE SEEN HIS STAR AND HAVE COME TO WORSHIP HIM"** | In Matthew 2: 1-12 the Christmas story continues with the coming of the Magi. The experience of the Magi (sometimes called Wise Men) evokes the journey of every man and woman who are following their particular signs toward Christ. The Wise Men from another culture, who came to offer Jesus gifts for a royal messiah, symbolize that Jesus came as the savior of all races and cultures. Although we know little about the Magi, we know that they came from the East and journeyed to Bethlehem, following an astrological sign, so we believe they were astrologers. Tradition has it that they were named Casper, Melchior and Balthazar. We assume that there were three Magi based upon the naming of the three gifts. We believe that the gift of gold represented Jesus' kingship. Frankincense is a symbol of Jesus' divinity because priests burned the substance in the temple. Myrrh was used to prepare the dead for burial and was offered in anticipation of Jesus' death. By giving these gifts, the Magi acknowledged that Jesus was to be our Savior. May we acknowledge Jesus as our Savior in all that we

do and say. May we continue to offer our gift of time, attention to the needs of the church, and our financial support in this new year. May God bless us all! Happy NEW YEAR as we come together for the first Sunday of 2026. — Sr. Yvonne

**Needed: Money counters to help count the Sunday Mass offering at our parish.** We are looking for 3-5 people. You would come to Holy Ghost rectory on Tuesday mornings. It takes about 30 minutes of time to count and verify and then take the money to the bank. If we get 3 people, we will have two teams, and so the frequency of this service would be every other week. If we get more than 3 people to help, then even less of a time commitment. For more information, please talk to Father, Sister Yvonne, or Karin Hawkins.

### Holy Ghost
